# 2025-2026 MHS Percussion Materials

These materials are a standard list of affordable yet well made percussion equipment. As students progress through their playing, there are more opportunities to showcase their individual abilities. Hence the need for their own individual equipment. These materials will last most students until they graduate if properly cared for. This list is in line with the materials other campuses within our district are asking their students to purchase. I do not want anyone to feel discouraged about pursuing percussion because of the items listed.

**If you have any questions or concerns about the materials, Please reach out to me at**  
**dbuentello@mesquiteisd.org**

I have read, and understand, the supply list requirements for my student to be in Percussion. I understand that this paper is due to Mr. Buentello by **Monday, September 8**. I understand that if my student does not have the supplies for Percussion class **BY MONDAY, SEPTEMBER 8**, they are subject to a grade reduction.
